

PORTRAITS OF RALEIGH 2

SERIES ONE OPENING AUGUST 6, 2010

RALEIGH CITY MUSEUM

Come celebrate the opening of the newest exhibit at the Raleigh City Museum, *Portraits of Raleigh 2*, on Friday, August 6. The museum hosted a call for entries to area photographers and received hundreds of images showcasing unique perspectives of Raleigh. The juried result of chosen submissions is truly a wonderful photographic exploration of our capital city.

Selected images are being displayed as a two-part series. Series One is on display in the A.E. Finley Gallery from August 6, 2010 - November 27, 2010, and Series Two will be on display from December 3, 2010 through April 2011.
